## COUNCIL COMMUNICATION

AGENDA TITLE: Report on Measure K Noncompetitive Bicycle Projects

MEETING DATE: January 21, 1998

PREPARED BY: Public Works Director

**RECOMMENDED ACTION:** That City Council adopt the attached resolution that includes the stipulations and assurances required by the San Joaquin County Council of Governments for the Measure K Noncompetitive Bicycle Projects, and authorize the City Manager to sign all claim forms for these funds.

**BACKGROUND INFORMATION:** The Lodi Bicycle Transportation Master Plan was adopted on November 16, 1994. The City of Lodi identified the various bike lanes it wanted to create within the city limits. They would be installed as part of other street work or as grants are obtained.

The Measure K bicycle program apportions approximately \$15,000 per year to the City of Lodi for bicycle programs. In order for the City to receive the funds, we must provide a one-time resolution and an assurance, signed by the City Manager, for each project.

**FUNDING:** None needed.
